2026

# GMS Welcome 2026

The GMS collection of fireplaces brings together modern and traditional designs in a selection of finishes. We offer a wide selection of new options due to our mission of continual research and development. Our carefully selected expert retail showrooms throughout Ireland will guide you to source the perfect fireplace surround to elevate your interiors.

## Materials

*Choosing unique high-quality materials to enhance our surround designs, from warm ivory cream to cool polar white you will be able to find the marble that compliments your own style.*

*Scan to find out more*

### Naples White

*A stunning white honed marble with a delicate grey vein running through the stone, adding a touch of elegance to your home.*

### Polar White

*One of the most popular choices amongst our customers, the neutral cool tone of the polar white surround offers style and sophistication.*

### Limestone

*Durable, beautiful & timeless. Forged over millions of years, this premium natural stone will stand the test of time in your home.*

### Ivory Cream

*A staple favourite in homes with a high-quality finish and longevity of the warm neutral tones.*

# Surrounds

## Contemporary

*Offering clean lines and subtle architectural details, our contemporary surrounds draw the eye creating a unique focal point in your living space.*

## Traditional

*Our traditional selection of fireplaces have classic features; oversized mantles, decorative corbels and intricate pillar detailing, elevating the elegance of your home.*

A unique made to order GMS Wallace Surround sized to suit a private residence in the countryside.

Featuring the Mazona Ashford

## Bespoke Pieces to last generations

In addition to the surrounds featured in our 2026 collection, we are pleased to offer a bespoke service tailored to your individual requirements. Any of our surrounds can be commissioned in your choice of material and made to custom measurements to perfectly suit your home.

For further information about our bespoke service, please contact your retailer, who will be happy to provide a detailed quotation and estimated lead time for your custom order.
