About us

We pride ourselves in the quality of our stone.

We use the latest technologies in stone fabrication, along with the craftsmanship of our highly skilled in-house team. Our extensive range of quality fireplace surrounds are distributed through our network of trusted partners throughout Ireland.

We can also cater for bespoke surrounds; if you are interested in this then get in touch with your local stockist for details.

Material Gallery

Crafted with exceptional precision and attention to detail, every piece reflects Premier Marble Fireplaces' commitment to craftsmanship and design excellence. We proudly offer a curated selection of five premium materials.

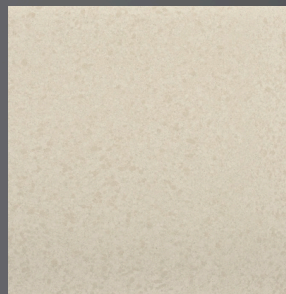

Aegean Stone *NEW*

With its soft tones and authentic texture, Aegean Stone mirrors the look of traditional limestone to perfection. But unlike its natural counterpart, it's stain-resistant, highly durable, and low-maintenance. Aegean Stone allows for seamless design with dependable colour consistency.

Honed Carrara

Bring a sense of luxury to your home with our Honed Carrara surrounds. A bright and welcoming white with subtle grey veins running throughout which will provide a simple yet attractive design.

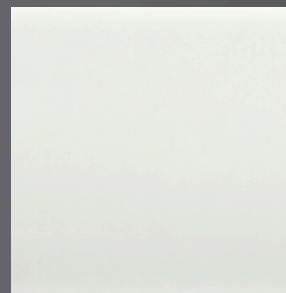

French Stone

French Stone is ideal if you want a bold yet simplistic look. A limestone colour which is a shade between white and ivory.

Ivory Pearl

A timeless classic. Ivory in colour with subtle flecks; this colour will lighten your interior whilst also giving a little traditional charm.

White Pearl

A classic white with subtle flecks, our White Pearl will bring a touch of elegance and splendour to any room.

De Gaulle

A Georgian design with baroque-style scrolled pillars and an extra-large stepped mantle. This fireplace is a real focal point which is best for large rooms or period style homes.
